AUDIT FINDINGS

NARRATIVE

Emanuel Probation Detention Center (EPDC) was audited January 25th and 26th, 2017 by DOJ PREA Auditor G. Peter Zeegers. Prior to the on-site audit, a review of all pre-audit documents was completed. During the initial audit meeting, this auditor, Jacquelyn C. Alexander, Southeast PREA Coordinator; Jeff Coleman, Superintendent; Tommy Paul, Assistant Superintendent/PREA Compliance Manager; Mechelle T. Vsetecka, Mental Health Counselor; Kochelle Watson, Chief of Security; Julie Anna Mixon, Lead Nurse; and Eilene S. Nobles, Multi-Functional Officer were present.

A facility tour was conducted, which included all buildings of the facility inside the fencing. Staff receive annual training on PREA policies and procedures. Inmates receive a comprehensive PREA education within 30 days of intake. Contractors and volunteers receive PREA education that is commensurate with their inmate contact and duties. During the tour, it was noted that the Notice of PREA Audit and other PREA related materials were posted in several locations where staff and offenders were present.

Interviewees were identified from a list of staff and offenders. There were 294 offenders present at the beginning of the audit. The interviews included 10 offenders and 10 random staff which included both shifts. Additionally, 14 specialized staff interviews were conducted. There were four PREA allegations in the last twelve months. All incidents led to investigations and reviews following GDC policy. There were two offenders who identified as being LGBTQI that were interviewed. There were no limited English proficient or disabled offenders. All required policies, documentation, reports, logs and files were checked for compliance with PREA Standards. There were no offender letters received by the auditor before the on-site audit.

DESCRIPTION OF FACILITY CHARACTERISTICS

Emanuel Probation Detention Center is located in Twin City, GA set on 32 acres in a rural area of Emanuel County. It provides a sanctioning option for probationers who require more security or supervision than that provided by regular community supervision. Emanuel Probation Detention Center is highly structured with regimented schedules that include supervised, unpaid work in surrounding communities and programming geared toward making offenders more successful in the community. It is one of the first detention centers to be completely constructed with offender labor. Emanuel Probation Detention Center received its first detainees on October 18, 1994.

Outside work details travel to Emanuel, Candler, Washington, Jenkins, Bulloch, Tatnall and Toombs counties. Trustees work in Twin City, Swainsboro, Metter, Emanuel and Candler counties. Emanuel Probation Detention Center manages an 8-acre vegetable garden with three greenhouses. Inside work details are Sanitation, Dorm Orderlies, Maintenance, Laundry and Kitchen. Programs at Emanuel Probation Detention Center include Academic: General Education Diploma, Adult Basic Education; Counseling: Re-entry, Motivation for a Change, Alcoholics Anonymous/Narcotics Anonymous, Active Parenting; Library: General and Law; and Religious Services.

There are six open dormitories with double and triple bunk beds. At the entrance of each dorm, there is a PREA bulletin board that provides information regarding the Agency's Zero-Tolerance information, including how to report and access to outside services. Inmates and staff pass these boards multiple times during a 24-hour period moving from the dorms to meals, education, vocation, and recreation.

SUMMARY OF AUDIT FINDINGS

The on-site audit was conducted on January 25th and 26th, 2017. The 10 offenders screening instruments were reviewed. All were completed on the day of intake. The offender education acknowledgment forms were completed within the 72-hour time frame. All staff background screenings were completed, as well as staff PREA training records being timely and complete. Policies and procedures were verified by reviewing staff files and the staff interviews.

All Agency Policies that were submitted to this PREA Auditor via thumb drive were reviewed prior to arrival for the on-site audit. Additionally, during the on-site audit many of these documents and relevant information were again reviewed. Policies and documents were viewed such as: Statewide PREA Policy 208.06, Georgia Department of Corrections and Emanuel PDC Leadership Organizational Charts, employee and offender handbooks, GDC General Directives, various statutes, internal and external facility audit reports, PREA audit guide, PREA audit notices, EPDC layouts, facility program specific coordinated response plan, statewide and internal PREA related memos and emails, policy amendment emails, staffing plan, various postings, staffing breakdown and rosters, master schedules, various logbooks, Staff Training Acknowledgement Forms, various staff trainings, offenders programming/job/educational information, Agency Mission Statements, and agreements.

During the facility tour it was noted that there were two privacy issues in the segregation dorms. Each segregation dorm (upstairs and the bottom) had one shower which had no privacy covering. During the on-site audit the privacy concerns were renovated to meet the standards' regulations. Also during the tour it was noted that there were two blind spots in the facility. The laundry room and one pantry in the kitchen needed a mirror to supplement supervision of staff. Both mirrors were installed during the on-site audit. The facility is in full compliance with standards 115.13 and 115.15.

The results of the audit indicate that the facility is in full compliance with PREA Standards. A final report is being issued. The facility staff were very helpful, very professional, and well versed in PREA activities at the facility level. The facility response to privacy concerns confirms the facility commitment ensuring to the safety of all offenders. It was a pleasure to work with the Superintendent and his staff.
